CLAIM TO PRIORITY UNDER 35 USC SECTION 119

Sir:

By their attorneys, the applicants in the application identified above, as they did in the parent to this application, hereby claim under 35 USC Section 119, the priority of an application filed on 23 January 1987 in their behalf in the European Patent Office as European patent application Serial No. 87100961.9 ("the European '961 patent application"). Submitted in the parent were (1) a certified copy of the European '961 application upon which the claim to priority is based; and (2) a supplemental Declaration and Power of Attorney for the application duly executed by the applicants, Drs. Bednorz and Mueller on 4 February 1992 and 28 February 1992, respectively, in which a claim or priority under 35 USC Section 119 to the European '961 application is made.

Respectfully submitted,

Daniel P. Morris
